What this check found

We re-queried a fixed list of 30 selected procurements and observed 62 notices. The five profiles below match the selected evidence checked on 6 September 2026. No newly added notice IDs or changes to the compared fields were detected in this refresh.

One cancelled procurement remains excluded. This run does not discover new procurements, prove market-wide coverage or verify unpublished contract changes.

01 / DATE DISCREPANCY

Inicio Educational Trust

Eight primary schools within the trust.

Published supplier	CleanTEC Services Ltd
Initial end	31 August 2027
Possible extension	31 August 2030
Published value	GBP 1,854,545.00 excluding VAT

The description gives 30 August 2027 and 30 August 2030; the structured fields give 31 August. Keep August 2027 on a watchlist, with the possible 2030 extension and the exact-day discrepancy visible.

Planning use: Monitor later notices for a decision on the primary-school term and its possible alignment with the secondary-school contracts. Do not schedule a bid around the disputed day.

Value is a published contract amount, not annual turnover. Check the procurement documents for how extension costs are treated.

02 / PUBLISHED CONTRACT

The Aldgate School

Primary school in the City of London.

Published supplier	CleanTEC Services Limited
Initial end	26 October 2028
Possible extension	26 October 2030
Published value	GBP 229,687.00 excluding VAT

The possible two-year extension depends on satisfactory performance and client approval. No future tender is confirmed.

Planning use: Use October 2028 as a monitoring milestone. Check whether the buyer exercises the optional extension before treating expiry as a new procurement signal.

Value is a published contract amount, not annual turnover. Check the procurement documents for how extension costs are treated.

Official notice 069119-2025 | Official API history | Published 2025-10-28

03 / PUBLISHED CONTRACT

East Barnet School

Secondary school in Barnet, North London.

Published supplier	Pendergate Limited, trading as Kindred
Initial end	31 December 2028
Possible extension	31 December 2030
Published value	GBP 1,143,314.00 excluding VAT

The initial three-year term began on 1 January 2026. Two further one-year extensions are optional at the client's discretion. No future tender is confirmed.

Planning use: Keep the optional annual extensions in the planning record. Recheck buyer publications before committing bid resources.

Value is a published contract amount, not annual turnover. Check the procurement documents for how extension costs are treated.

Official notice 006457-2026 | Official API history | Published 2026-01-26

04 / PUBLISHED CONTRACT

St Angela's Ursuline School

Secondary school in Newham, London.

Published supplier	D Brice & Company Limited T/as D B Services
Initial end	31 March 2029
Possible extension	31 March 2031
Published value	GBP 1,046,315.30 excluding VAT

The source provides for an initial term to March 2029 and an optional extension to March 2031. The extension is not a confirmed renewal.

Planning use: Treat March 2029 as the initial-term milestone, with March 2031 as a possible extended end. Look for a later buyer notice confirming what happens.

Value is a published contract amount, not annual turnover. Check the procurement documents for how extension costs are treated.

05 / SUPPLIER UPDATE

Winchmore School

Secondary school in Enfield, London.

Published supplier	Birkin Cleaning Services Ltd
Initial end	31 July 2029
Possible extension	31 July 2031
Published value	GBP 976,631.00 excluding VAT

The January 2026 tender description refers to the outgoing supplier, Purgo. The later contract identifies Birkin Cleaning Services Ltd. The sample uses the later contract and does not present the outgoing supplier as current.

Planning use: Use the supplier named in the later contract notice when updating this record. Watch subsequent notices for changes to the term or supplier.

Value is a published contract amount, not annual turnover. Check the procurement documents for how extension costs are treated.

How to use and verify this report

Follow the official notice link on each profile. Check the later contract against earlier tender proposals, retain optional extensions and keep conflicts visible. A new bid opportunity requires a current notice and a valid submission deadline.

Editorial selection: 6 September 2026. API refresh: 9 September 2026. The automated comparison checks notice IDs, dates, statuses, bounded descriptions and selected contract/award fields. It does not compare every OCDS field or re-read external attachments. Changed or incomplete evidence is held for review.
